Dear Parents,

We would like to thank all families of Brookview Community Preschool for supporting us throughout the preschool year. We are extremely happy to share that all our kids had lots of fun learning about various themes and concepts. Additionally, they loved playing with their friends and engaged themselves in various planned activities on daily basis and participated in all our special day activities too. They used imagination in their play and resolved conflicts with peers and practiced routines that hone independent skills.

We congratulate all Preschool Grads who will be entering KINDERGARTEN in Fall and our best wishes to our 3-year-old programmers as they move on to their next level in their learning journey!

We had memorable moments and happy smiles that will be reminisced.

We wish all families "A Very Happy Summer"!

Relax & Enjoy

Warm Regards

Teacher Kavi & Teacher Kaya
