

Brookview Bulletin

May

Mom's the Word!

That's always the case, but especially this month, as we mark Mother's Day. To celebrate, Teachers Kavi and Kaya will honour Brookview moms with a Mother's Day Mehndi celebration. On May 14th (Wednesday) parents of students in the morning class are welcome from 10:15 – 11:00 am and afternoon parents can come by from 2:15 pm – 2:45 pm. May 15 (Thursday) those times are from 10:30 am – 11:00 am and 2:15 – 2:45 pm. Moms and preschoolers can get traditional flower henna designs on their hands, and the students will also perform for all you lucky mothers. **We kindly ask that each child be accompanied by an adult**

Links for Learning

Sausage anyone? The latest fundraiser is an especially delicious one. As part of this email, you'll find an order form for the Stawnichy's Mundare Sausage Brookview Community Preschool Spring Fundraiser. Besides sausage, there's jerky, smokies, perogies and more! Hit up friends and family, fill out the order forms (if friends and family are taking part, please make sure they include *your* student's name on the form), then hand them in to either teacher – and email the money to brookviewpreschool@gmail.com with "Sausage Fundraiser" and your full name in the message.

Letters and Numbers for the Win

This month, students will focus on printing the numbers 1-10 and the letters A to Z. The kids will also learn some new colours: purple, magenta and violet – and they'll learn to identify diamonds! (the shape, not the rare gemstone.)

The learning themes for this month are: Flowers, Colours and Shapes (the last two should NOT be confused with the Foo Fighters album with a similar name. Though music education is equally as important... so heck, go for it.)

Come Together, Right Now

Actually, not right now. Friday, June 6th. That's when afternoon classes will be merged into the am classes. Consider yourself notified!

A Few Days Off

Reminder, there's no school on May 19, 20 or 21st (Monday, Tuesday or Wednesday) so you'll have to find somewhere else to send your little ones!

Get Fit AND Have Fun???

I mean, who doesn't like the sound of that? On Tuesday, May 6 and Wednesday, May 7, students will take part in a Fitness Fun Workshop.

Rhyme and Chime

That's the theme for this month's Remarkable Readers. The name itself is a rhyme. See what they did there? Students will pick words from a bag and come up with rhymes.

For Confident Communicators, the theme will be "Slide and Seek." The children will play an alphabet recognition game.

Remember to check the calendar to know when your little genius is the Confident Communicator or Remarkable Reader.
