## Groundhog Day Fun

Groundhog Day - **February 2** - is a special opportunity for children to learn about weather prediction and shadows. Through stories and activities, we will explore how shadows are formed and why this day is part of winter traditions.

## Breakfast with Buddies

During our Family & Pets Theme Week, we are excited to host Breakfast with Buddies on:

- **February 23 and 24**

Waffles will be served and children are welcome to wear their pajamas to school!

**Please let us know if your child has any food allergies.**

## Puppet Play

Puppets will be taking center stage this month as children explore language, imagination, and storytelling.

- 3-Year-Olds - Puppet Talk: Using hand puppets to talk with friends and spark imagination.
- 4-Year-Olds - Pretending with Puppets: Using puppets on both hands to create and tell stories.
- 5-Year-Olds - Reading with Puppets: Reading words or picture flashcards with their puppet.

## Preschool Open House – Spread the Word!

We're excited to share that Brookview Community Preschool will be hosting an **Open House for the 2026–2027 school year on Thursday, February 19, 2026, from 6:30–8:00 p.m.**

Please help us spread the word to friends, neighbours, and family members who may be looking for a wonderful preschool program. This is a great opportunity for new families to meet our teachers, explore our classrooms, and learn more about our play-based programs.

The Open House is also a fantastic chance for our current preschool families - especially those with children moving on to **George H. Luck School for Kindergarten** - to learn more about our **After-Kinder program**.

We hope you'll join us and help us make it a great evening!

## **No School**

To align with the EPSB 2025/2026 calendar, there will be no school on February 16th, 17th, 26th, and 27th.
