## January 2026 Newsletter

Happy New Year to all our preschool families! We wish you a joyful and healthy year ahead. A heartfelt **thank you** as well for the warm Christmas gifts and season's greetings given to our teachers - they were truly appreciated.

January is a month of settling back into routines, reconnecting with friends, and jumping into creative learning experiences together.

### Important Reminders

- **PD Day:** Wednesday, **January 28, 2026** - *school is closed.*
- Please remember to send your child dressed in weather-appropriate clothing each day for outdoor play.
- If you have any **long gift wrap tubes/paper towel rolls**, we would greatly appreciate donations for classroom activities.

### Confident Communicators & Remarkable Readers

This month, children will take part in a **Cut and Collage Craft** activity. Using cuttings from magazines, flyers, and similar materials, children will practice cutting, gluing, and creating an interesting collage.

Once complete, they will be encouraged to **share a story about their artwork**, helping build confidence, communication skills, and early storytelling abilities.

# Art Talk (formerly Toy Talk)

Our focus has now shifted to **Art Talk**. Children will create drawings using materials such as pencil crayons, markers, oil pastels, or regular pencils. They may draw freehand or use shapes and stencils for tracing - both approaches are encouraged.

Children are invited to **create their artwork at home and bring it to school** so they can talk about their picture with classmates. This activity supports creativity, language development, and self-expression.

# Beach Day at Preschool

Let's escape winter for a moment and pretend we're at the beach!

Beach Day will take place on January 30 and 31, 2026.

Please send your child with any beach items they might want to use. Ideas include:

- Sunglasses
- A beach towel
- Optional beach-themed clothing or dress-up

We're looking forward to lots of fun as we pretend to enjoy a sunny day at the beach.
